Dear student:

Welcome to PreA1 Builders A!

The Ministry of Education, is pleased to provide you with the PreA1 Builders A Booklet that has been designed taking into account the language competences that you will develop throughout this school year. As the Ministry, we want to assure you that this document is the result of the work of a team of specialists who, thinking about your contexts and needs, propose an innovative and fun way of learning. We are more than excited to know that you will learn and use English through a variety of activities that you will carry out in a relaxing environment to practice the foreign language effectively to develop communication skills as a team, in pairs, or individually with the close accompaniment of your English teacher.

The main aspiration of this material is to support you and make you practice English. We are aware that you are capable of solving the activities presented in this booklet and we encourage you to do your very best while working on them. In addition, we want to remind you that each one of you is highly important for the Salvadoran society and the future of our country.

Get ready to have fun while learning a foreign language!

José Mauricio Pineda Rodríguez

Minister of Education

What is a table of contents?

A table of contents helps you locate the content you will study throughout the year quickly and easily. Here you will find the page numbers for each adventure you will embark on.

Un índice te ayuda a ubicar los contenidos que estudiarás a lo largo del año de forma fácil y rápida. En él encontrarás los números de página para cada aventura en la que te embarcarás.
